ANNUAL REPORT TO PARLIAMENT

ACCESS TO INFORMATION ACT

(APRIL 1ST, 2022 TO MARCH 31ST, 2023)

FOREWORD

This Annual Report to Parliament has been prepared in accordance with Section 94 of the Access to Information Act (the “Act”). It is intended to describe how Revera Inc. (“Revera”) administered its responsibilities in relation to the Act for the reporting period from April 1, 2022 to March 31, 2023 (the “reporting period”).

Annual Reports are to be tabled in Parliament in accordance with section 94 of the Act.

MANDATORY REPORTING REQUIREMENTS

1. INTRODUCTION

1.1 SUMMARY

The purpose of the Act is to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific, and that decisions on the disclosure of government information should be reviewed independently of government.

This Act is intended to complement and not replace existing procedures for access to government information and is not intended to limit in any way access to the type of government information that is normally available to the general public.

1.2 MANDATE

Revera is a leading owner, operator, developer, and innovator in the senior living sector. Through its portfolio of partnerships, Revera owns or operates more than 450 properties across Canada, the United States and the United Kingdom, serving more than 44,000 seniors. With approximately 41,000 employees dedicated to providing exceptional care and service, Revera provides seniors with choices that help them do more of the things that bring joy to their lives. Through Revera's Age is More program, Revera is committed to challenging ageism, Revera's social cause of choice.

2. STRUCTURE OF THE INSTITUTION TO FULFILL ITS RESPONSIBILITIES

Revera is a wholly-owned subsidiary of the Public Sector Pension Investment Board ("PSP Investments"). The Access to Information and Privacy (ATIP) Office at Revera consists of an Access to Information and Privacy Coordinator who is also Revera's Privacy Officer (Canadian Operations). The SVP, General Counsel of Revera has responsibility for fulfilling Revera's Proactive Publication obligations. There are no regional ATIP staff and no consultants. There are no service agreements under section 96 of the Act to which Revera was party during the reporting period.

4. INTERPRETATION OF THE STATISTICAL REPORT

Revera did not receive any requests for information under the Act during this reporting period or complete any requests for information. This is consistent with the previous reporting period.

In the past 7 years, Revera received 3 requests for information under the Act during the 2016/2017 reporting period and 9 requests for information under the Act during the 2020-2021 reporting period. Due to the exceptional circumstances surrounding COVID-19 and the limited number of access to information requests received in the ordinary course of Revera's business, no meaningful trends can be identified.

No active requests are outstanding from the previous reporting periods.

No active complaints are outstanding from previous reporting periods.

No consultations were received or completed during this reporting period.

COVID-19 did not have an impact on Revera's ability to fulfill its responsibilities under the Act during this reporting period.

The completed Statistical Report and Supplemental Statistical Report on the Access to Information Act for 2022- 2023 are attached.

5. ACCESS TO INFORMATION – RELATED EDUCATION AND TRAINING ACTIVITIES UNDERTAKEN BY ATI STAFF AND PROVIDED TO INSTITUTION'S EMPLOYEES

Other than participating in an "Identity Verification Workshop" and an "ATIP Online Management Tool" training session hosted online by the Treasury Board of Canada Secretariat on June 2, 2022, Revera has not undertaken any education, training or awareness activities related to access to information for the reporting period.

6. OVERVIEW OF NEW AND/OR REVISED INSTITUTIONAL ACCESS TO INFORMATION ACT RELATED POLICIES AND PROCEDURES IMPLEMENTED DURING THE REPORTING PERIOD

Revera did not implement any new or revised access to information policies, guidelines, procedures, or initiatives during the reporting period.

PSP Investments has adopted an internal procedure for handling access to information requests upon becoming subject to the Act. As part of a revision process, the procedure was revised on January 15, 2013. The same procedure is applied for the handling of access to information requests that may be received at Revera.

7. PROACTIVE PUBLICATION UNDER PART 2 OF THE ACT

Revera is a government institution for the purpose of the Part 2 of the Act. Revera is subject to the requirements set out in sections 82 and 83 of the Act to publish information about travel and hospitality expenses incurred by seniors officers or employees within 30 days after the end of the month in which the are

incurred. Revera's proactive disclosure reports can be found on Revera's website at the following link: [Proactive Disclosure of Travel Expenses | Revera \(reveraliving.com\)](#).

Approximately 50% of Revera's proactive publication requirements due within the reporting period were published within the legislated timelines. Revera has implemented a procedure and tools to ensure that its proactive publication requirements are met, which have been in place since 2019.

8. INITIATIVES AND PROJECTS TO IMPROVE ACCESS TO INFORMATION

Revera did not implement any projects or initiatives to improve access to information at Revera during the reporting period, nor are any such projects or initiatives underway.

9. COMPLAINTS OR INVESTIGATIONS

Revera did not receive any complaints and no audits or investigations were concluded under the Act during the reporting period.

10. MONITORING OF TIME PROCESS FOR REQUESTS

In the ordinary course of its business, Revera very rarely receives access to information requests. As a result, there is no formal procedure in place to monitor the type of information being requested, the time taken to process these requests, or the level of officials advised, or to limit inter-institutional consultation. Generally, when access to information requests are received, the Access to Information Coordinator monitors the time taken to process these requests manually, and notifies appropriate members of Revera's senior leadership team of these requests. The time taken to process these requests is then recorded in tracking charts maintained by the ATIP Office. No monitoring is conducted regarding measures to support the right of public access to information, or the accuracy and completeness of proactively published information under Part 2 of the Act.
